Subject: Shelby County Retirement System – Plan A

Dear Waverly:

Mercer has been asked to review a proposed resolution to Plan A. The resolution would clarify how benefits are determined for City-to-County Transfer Employees and County-to-City Transfer Employees when there are multiple transfers between the County and the City. A participant with multiple transfers between the County and the City will be classified as a County-to-City Employee or a City-to-County Employee based on where the participant terminates employment, regardless of how many transfers between County and City have occurred.

The adoption of the resolution will have no material actuarial impact on the Retirement System due to the small number of participants in this situation.

I, Karen W. Buckner, meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained in this letter.

Sincerely,

A handwritten signature in cursive script that reads "Karen W. Buckner".

Karen W. Buckner, A.S.A., F.C.A.
